

Recommendation Letter for Faith Makombore

To Whom It May Concern,

I am pleased to write this letter of recommendation for **Faith Makombore**, with whom I have had the privilege of working closely for the past six years. Over this time, we have built a strong professional relationship founded on mutual respect, collaboration, and shared commitment to excellence.

Faith has consistently demonstrated outstanding competence and dedication within **treasury operations**. She possesses a strong understanding of treasury principles and operational controls and applies this knowledge with confidence and precision. Her ability to assess complex situations, exercise sound judgment, and deliver practical solutions reflects a high level of professional acumen.

Throughout our time working together, Faith has proven herself reliable, detail-oriented, and proactive. She approaches her responsibilities with professionalism and integrity and can be trusted to manage sensitive financial matters with discretion and care. She also works exceptionally well with colleagues and stakeholders, contributing positively to team dynamics and fostering a supportive working environment.

Beyond her technical skills, I have truly valued the experience we've shared, and the support Faith has shown over the years. She is receptive to feedback, eager to learn, and continuously strives to improve both her skills and her work outcomes. These qualities make her an asset to any treasury function.

I would recommend Faith without hesitation for a new role in **treasury operations**. I am confident she will bring the same level of commitment, insight, and professionalism to any organisation fortunate enough to have her.

Please feel free to contact me should you require any additional information.

Yours sincerely,

Wichard Cilliers
Head of Risk Management
